 - 23.—Number, length, and cost of railroads in the United States to January 1, 1851.
 - 24.—Number of fires in New York city.
 - 25.—New fire districts of New York city.
 - 26.—News, editorials, and miscellaneous matter of all sorts, etc.

Although we have published the *Herald* this morning on a double sheet, to enable us to give these statistics, we have found it impossible to publish all we have received and compiled. We find that we must embrace the news of the day in our contents, to keep up with the times.

ANNUAL HISTORY **OF THE** **WORLD.** **TWELVE MONTHS CHRONOLOGY.**

January 1, 1850 to January 1, 1851.

The great public will find in the *New York Herald*, of this morning, a chronology of the important events of the world during the year 1850. Its value, as an historical record, will be apparent to every one. The events, thus detailed, are compiled exclusively from the files of the *Herald*, giving not only a *compilatio* of the world, but a correct idea of the care and enterprise of this establishment, in laying before the public the latest and most authentic intelligence from all parts of the globe.

JANUARY.
 1.—The day opened bright and beautiful, and the streets of New York were filled with the sound of the merry sleigh bells. Fairly Lantry thrown from a sleigh in the city, and a woman recently killed. The Legislature of New York assembled. The Legislature of Pennsylvania met at Harrisburg. The annexation question revived in Montreal, Canada. The great anti-slavery New York *Herald* published. The steamer *Empire* left New York for Lyons, with 2,000,000 in gold dust, and 225 passengers. Louis Napoleon created his uncle, General Jerome Bonaparte, Field Marshal of France.
 2.—Exciting scene in the Ohio Senate, prospect of protracted confusion. Resolution offered in the United States Senate, calling upon the Postmaster General for the charges against all the Postmasters in the United States, removed since March 4, 1839. Hon. John P. Gaines, Governor of Oregon, sailed for his post from New York. Gov. Thomas, of Maryland, in his annual message to the Legislature of that State, declared against the application of the Fugitive Slave Law to the territories of the United States. The Whig State Convention, of New Hampshire, declared against the introduction of slavery in the territories of the United States, but should necessity require it the protection of the Union of the States was paramount to every consideration.
 3.—The Legislature of Massachusetts assembled. Thanksgiving in Canada. Anniversary of the battle of Princeton celebrated on the battle ground. The steamer *Empire* left New York for Lyons, with 2,000,000 in gold dust, and 225 passengers. The steamer *Empire* left New York for Lyons, with 2,000,000 in gold dust, and 225 passengers. The steamer *Empire* left New York for Lyons, with 2,000,000 in gold dust, and 225 passengers.
 4.—Resolution offered in the United States Senate, by George A. Seward, and all the members of the Senate, to support a powerful speech in support of the measure. Don Carlos de Espana, Spanish Consul at New Orleans, dismissed from his consulate functions by President Taylor, on the ground of his having been guilty of an act of violence against the United States. The steamer *Empire* left New York for Lyons, with 2,000,000 in gold dust, and 225 passengers.
 5.—Secretary Clayton gave a diplomatic dinner in Washington, which was attended by all the foreign ministers and other officials, except Sir James Palmer, who declined to attend. The anniversary of the death of the Queen Dowager Adelaide. Terrible tornado at Natchez, Miss., great destruction of property and loss of life.
 6.—Confounding fire in Washington city; twenty-seven houses burned.
 7.—The first Common Council of New York city, under the new charter, organized. The resolution of General Grant, in the United States Senate, for the annexation of Louisiana introduced by Mr. Clay. Col. Benton introduced a bill in the United States Senate, to pay to the State of Texas a consideration for the territory of and about Santa Fe, now in dispute between that State and the general government. The Legislature of Mississippi assembled at Jackson. Gov. Matthews, of Miss., in his message protested against the blockade of the Gulf of Mexico by the United States. Terrible conflagration in Kentucky, Ireland, twenty-eight persons burned to death.
 8.—Horrible murder of Mrs. John S. Van Winkle, and her two children, at Boston, for the murder of his wife and two children.
 9.—The steamer *Empire* left New York for Lyons, with 2,000,000 in gold dust, and 225 passengers.
 10.—The steamer *Empire* left New York for Lyons, with 2,000,000 in gold dust, and 225 passengers.
 11.—The steamer *Empire* left New York for Lyons, with 2,000,000 in gold dust, and 225 passengers.
 12.—The steamer *Empire* left New York for Lyons, with 2,000,000 in gold dust, and 225 passengers.

FEBRUARY.
 1.—The despatch of Lord Gray to Lord Elgin, to suppress the movement for the annexation of Canada to the United States, received at Toronto.
 2.—The great fiery torpedo exploded in New York, killing three persons, and wounding many others.
